

Sales copy — 5 n8n Workflows for AI Entrepreneurs (EN)

For the landing page (`/products/free-n8n-pack`) AND social CTAs.

H1 (hero)

5 n8n workflows I actually use in my business. Free. Yours.

Sub-hero

No theory. No "10 ways to use AI". Just 5 `.json` files you import into your n8n and that run in 30 minutes.

Value bullets (max 3 — what's in the pack)

- 📰 A daily AI news digest in your inbox (zero Twitter scrolling)
- 🎯 A system that finds the founder email of any company
- 🗺️ A Google Maps scraper that pulls 100 local leads in 2 minutes
- 🛒 A tracker for Amazon bestsellers across 10 markets
- 📷 An Instagram competitive monitoring system (the advanced bonus)

Short variants (for stories / posts / DM replies)

Variant 1 — Curiosity gap

I have 5 n8n workflows running my business. I'm giving them away. Link in bio.

Variant 2 — Challenge

Still using AI "manually" through ChatGPT? Here are 5 workflows that run by themselves. Free.

Variant 3 — Specificity

5 n8n workflows + an 8-page PDF explaining each setup. Free. Link in my bio.

Variant 4 — Journey / proof

Took me 18 months to build this stack. You get it in 30 minutes. Free.

Delivery email (subject + body)

Subject: 📦 Your 5 n8n workflows (import now)

Body: Hey,

Here's the pack. Download here → [ZIP_LINK]

Inside:

- 5 `.json` workflows to import into n8n
- A PDF guide explaining each workflow and its setup

My tip: start with **#1 (AI News Digest)**. It's the simplest to set up — 10 min max — and you'll instantly feel the power of n8n.

Once you've tested, hit reply and tell me which one's your favorite. I read everything.

Go play 🚀
